SOUTH CAROLINA DEPARTMENT OF AGRICULTURE

ENTREPRENEURSHIP CENTER

ENTREPRENEURSHIP PROGRAM APPLICATION

Download and save the application before you fill it out. Your work will not be saved if you do not download it first.

The Agribusiness Center for Research and Entrepreneurship (ACRE), an initiative of the South Carolina Department of Agriculture (SCDA), connects entrepreneurs with new opportunities in agriculture, research and agribusiness to strengthen the state's economy, particularly in rural counties.

The ACRE Entrepreneurship Center ("Center") seeks the most innovative and forward thinkers in South Carolina agribusiness for participation in an Entrepreneurship Program (the "Program"). The Center is looking for companies and products it can help support in the marketplace through a collaborative effort. This program does not support research. Applicants may not have previously been awarded more than \$10,000 from ACRE within the past three years.

Applicants selected to participate in the EC Program could receive a grant of up to \$25,000 to develop their product or business, as well as access to a network of business mentors and grant writing consultants. This is a competitive program; not all applicants will be selected to pitch or receive funds.

Please read the Terms and Conditions carefully before completing and submitting your application. By submitting your application to the Entrepreneurship Center, you accept and agree to the following terms and conditions:

1. Applicant is a current South Carolina resident and/or operates a business headquartered in SC.

2. The product and/or company for which Applicant is applying must be agribusiness related, and specifically related to one or more of the following categories:

- a. Specialty crops
 - i. Fruits and vegetables
 - ii. Tree nuts
 - iii. Dried fruits
 - iv. Horticulture
 - v. Nursery crops
- b. Meat products
- c. Other foods (honey, cheese, milk, eggs, etc.)
- d. Industrial hemp (not including hemp research)
- e. Hydroponics or aquaponics
- f. Container, urban, or indoor farming
- g. Aquaculture
- h. Timber
 - i. Mechanical harvesting
- j. Agribusiness technology
- k. Agritourism/education (school tours, workshops, etc.)
- l. Row crop value-added product/process
- m. Food hubs (not restaurants)

3. Applicant must submit his or her business plan along with the Application. See [page 7](#) for required business plan elements.
4. Applicant must have a prototype or sales history for the company and/or product for which Applicant is applying. ***If you have not reached this stage yet, we encourage you to apply to our Curriculum Program in the fall. [Contact Kyle Player for more information.](#)***
5. If Applicant is selected as a finalist:
 - a. Applicant must be able to pitch their prototype, product or company to our panel of judges.
 - i. Applicant must attend Pitch Day on June 23, 2021 at Phillips Market Center (PMC) at the South Carolina State Farmers Market in Columbia, SC.
 - ii. Time slots will be set in coordination with the finalists.
 - b. Finalists will be notified of the results by July 1, 2021.
6. If the Applicant is selected to participate in the EC Program:
 - a. **Funds will be awarded in two phases**, with mandatory progress reports and a site visit from ACRE before distribution of the second part of grant funds.
 - i. Applicant must supply ACRE with periodic progress reports (timeline to be determined per awardee), including a line item budget for spending the awarded funds.
 - ii. Applicant will work with ACRE staff to set up a site visit to his or her operation.
 - iii. Applicant will submit a final progress report and line item budget after the second distribution of grant funds is complete.
7. Applications are due by **May 3, 2021** and finalists will be reviewed by our advisory panel. All Applicants will be notified if they have been selected as a finalist far in advance of the Pitch Day.
8. Priority will be given to applicants from rural counties and applicants with products or companies that would have a high impact in rural counties, as defined by the USDA [here](#).
9. Confidentiality Undertaking: SCDA recognizes that, as part of the application process, Applicants are required to provide SCDA and ACRE with Confidential Information related to Applicants' businesses and products. Confidential Information means all information in tangible or intangible form that is proprietary to the Applicant and has or could have value in the business or industry in which the Applicant is engaged. SCDA, ACRE, and their officers, directors, employees, agents, consultants and representatives will hold in trust and maintain confidential, not disclose or make available to any third party whether orally, electronically, on disk, in writing, or otherwise, without prior approval of the Applicant, and not use for itself or for any third party (other than a use by a Party for the purposes stated above) any Confidential Information received from the Applicant or Applicant's agents.

I agree to the Terms and Conditions.
